Additional Information

Very complete and comfortable homes both to live all year in the sun and to come on vacation. The location of the chalets allows you not to use the car for day-to-day things, since all the shops and restaurants are very close. The design and finishes of the houses offer privacy since you have your own plot, private pool and parking on the plot. Also comfort, with the underfloor heating in the bathrooms, lots of light coming through the huge windows of a superior quality, open spaces, spacious double bedrooms and much more.
