The development grounds are located within a security entrance and offer gardens, a large communal pool (in addition to a children's pool) and a heated indoor pool, jacuzzi, gym, saunas for men and women and showers / changing rooms.

Scorpio and Tavertino marble floors, hot / cold air conditioning, video intercom system, granite kitchen countertops and high-end appliances are an indicator of quality.

Located between Marbella and Estepona on the Costa del Sol, this luxurious 3 bedroom apartment is available for rent.

The apartment has many more facilities than a typical villa, including a heated indoor pool.

The large communal pool with a children's pool is located in tropical gardens and is illuminated at night. A fully equipped gym, jacuzzi and male / female sauna with shower are available to guests.

A 2-minute walk takes you to the beach and the garden area that has been maintained at an impeccable level.
