The coast of Alicante is well known for the hot temperatures and its more than 300 sunny days a year. Our residential is designed to enjoy each of those days, with the large terraces facing the sea and its well-kept common areas. Breakfast every day breathing the breeze of the Mediterranean and the lively atmosphere of Benidorm.

This Building has 196 houses in a glass tower with spacious terraces with views, ideal for enjoying the outdoors and the fantastic weather of the Benidorm coast.

The urbanization has spa, gym, jacuzzi, swimming pools, chill-out, etc. Many things to enjoy!

This city has been transformed in recent years, known for decades for their unique hotels, sun and beach infrastructures. Is a paradigm of tourism in Spain, of the few locations that enjoy a hotel occupancy of 80% throughout the year.

To sum up, don't forget that Benidorm has one of the most valued golf courses in the province: Sierra Cortina. Close also to its three theme parks and several shopping centers. And if you will come by plane, the airport of Alicante is only 1 hour by car.

Estimated project completion date: 04.2023
