Are you looking for a new build apartment in a central location and close to the beach?

These properties are located in Jávea. The transport links are excellent, both by road and by air, as the international airports of Altet (Alicante) and Manises (Valencia) are about 100 km apart.

The apartments have 2 bathrooms, an open kitchen and a living-dining room. The spacious terraces are integrated into the living room and are very bright thanks to the large windows. An underground parking space belongs to each flat.

These newly built properties are located only 650 metres from the bus station and only a 15-minute walk from the sandy beaches of Jávea and the marina. Within walking distance are all kinds of services: Supermarkets and markets, banks, restaurants and cafés, gyms, schools (public and international) and post offices.

Thanks to the privileged location and the many services nearby, you don't have to rely on the car.

In these modern apartments you can live all year round in a quiet residential area, with all the comforts. It is also ideal to enjoy during holidays and / or weekends.

The properties have air conditioning and ducted heating, a fully equipped kitchen with oven and microwave, ceramic hob and extractor fan.

Expected completion date March 2023
