Beaches, mountains, nature, this is the place for you!

This new project is located only a few minutes away from the blue water beaches of El Albir, Altea and Benidorm and close to all the services you need, with several supermarkets just a step away from home.

It is also a tribute to the Mediterranean lifestyle, to nature and the sun. A complex has 117 homes in the heart of the Costa Blanca, only 43 minutes from the airport, 15 minutes from an amusement park and golf courses and 8 minutes from the beach.

A contemporary, simple, elegant design, which emphasizes the environment and the connection between the interior and the exterior, with terraces from 17 to 63 m2 and spectacular sea views.

Take advantage of the more than 300 m2 of communal areas for the exclusive use of the residents, where you can unwind without leaving your home. Landscaped areas, children's playground and walkways. And best of all: two infinity swimming pools of 200 and 80 m2 with views of the entire bay of Alfaz del Pi.

This area is a paradise for road cycling, with spectacular scenery and trails for all levels. If you are more into golf, you are spoiled for choice.

Come and live the good life on the Costa Blanca. You deserve it

Estimated project completion date: 06.2024
