Punta Prima is surrounded by spectacular beaches, shopping centers, restaurants, golf courses and all the necessary services to enjoy all year round.

From Residential we have to highlight its exclusive green area that makes it completely different.

This consists of two original outdoor pools with relaxation areas, integrated hammocks, water jets and area for children.

It also consists of a nice decorative pond with resting area and wooden platform.

Also within the gardens, the little ones can also enjoy their exclusive area of games.

And adults will have diversity of relaxation and wellness areas, jacuzzis, sauna, gym for indoor and outdoor use, multifunction cage "Street Workout", walking areas and Balinese platforms that mimic the rice plantations of this beautiful island.

In short, a unique URBAN JUNGLE in the area.
