THE PROPERTY

Detached house with a lot of potential for sale in the Atalaya area. It consists from the entrance to the small front patio where there is also the parking area and which joins the private garden that borders the entire house. Entering there is a corridor that divides the guest toilet and the kitchen with access to the side garden, then there is the living room with fireplace and dining area with access to the porch and private garden.

On the second floor are the 3 bedrooms and 2 bathrooms, one of which is on suite, the main bedroom and one of the secondary bedrooms have access to the same terrace where it has views of the back garden and from here there are stairs that take you to the small Solarium where the storage room and the water heater that supplies for the whole house are located.

The location is very good, since it is close to shops such as restaurants, pharmacies, schools, supermarkets ... and on the beach side.

The area is quiet and good for families looking for tranquility and also close to shops.
