Built on a 33,500m² plot, it is an exclusive residential complex with 58 luxury houses with an area of 350m² to 940m² in total. There are six different types of houses to choose from, all with an innovative and modern design, with two, three or four bedrooms, each with a full bathroom and whirlpool tubs. Some houses have a fireplace and a private pool.

The best selection of materials has been used in all the constructions, combining wood, stone and marble with modern comforts such as home automation systems, underfloor heating and air conditioning.
