Spectacular newly built villa in a privileged residential area of Cumbre del Sol, on an elevated plot that allows the house views to the sea and inland of the northern Costa Blanca.

The luxury villa with garden and private pool is distributed over three floors, access is on the top floor where there is the parking space and the elevator that connects the whole house. The bedrooms are on the middle floor, 3 bedrooms in total, all with access to the terrace, a luxury to wake up, go out onto the terrace, breathe fresh air and start the day with a view of the Mediterranean Sea.

The ground floor, a large, light-filled living area that communicates with the kitchen and the outdoor area, making this space the heart of the home.

The outdoor spaces of this luxury villa have been cared for in detail, a garden adapted to the plot with terraced walls that create different spaces and levels and a large terrace with the infinity pool that flows into the sea are the most characteristic .

This residential complex is part of the Cumbre del Sol urbanization, so the houses in it enjoy all the services that a consolidated urbanization like this one offers, which has a commercial area with supermarket, hairdresser, pharmacy, bars and restaurants, Lady Elizabeth International School and a wide range of sports with tennis and paddle courts, hiking trails and an equestrian center.

In addition, you have at your disposal the wide range of restaurants and leisure activities in Benitachell and the municipalities of Jávea (only 7 km away) and Moraira (only 4 km away), all tourist communities of recognized international prestige equidistant from the cities of Alicante and Valencia and their airports.
