Additional information

NE1316V

Majestic luxury villa project in one of the most exclusive areas of Cumbres del Sol, Costa Blanca.

It is a villa with modern architecture, with open spaces, lots of light and an impressive view of the Mediterranean Sea are the main features that define this property.

It has 3 bedrooms with en-suite bathrooms, the master bedroom being a private space to relax in front of the sea, either in its hydro-massage bathtub or on its private terrace. A special mention goes to the dining room, a spacious and bright room with direct access to the terrace with large floor to ceiling windows, fully closed by the extension of the dining room to the terrace, enjoying incredible views of the sea.

The amenities of this villa are endless and reflect its quality and equipment: elevator, closed garage for 2 cars connected internally to the hall, TV room, home automation, laundry room, underfloor heating throughout the house, infinity pool and large garden areas. A wonderful place to live all year round, enjoying the Mediterranean climate and the wonderful sea views of the condominium.

In the immediate vicinity there is a shopping area with a supermarket, hairdresser, pharmacy, bars and restaurants, the Lady Elizabeth School and a wide range of sports with tennis and paddle courts, hiking trails and an equestrian center.

A few kilometers away you can enjoy cities of internationally recognized prestige such as Jávea (7 km) and Moraira (4 km) and about 100 km from Alicante and Valencia airports.
