Come and meet this incredible villa, characterized by an architecture that looks outwards to the blue of the Mediterranean, designed for sharing and celebration.

The entire house is on the upper floor, which provides a plus in comfort. The night area consists of three en-suite rooms bathed in natural light, preserving great privacy from the day areas. Living room, dining room, kitchen are connected to the outside thanks to the use of glass walls that favor a permanent visual connection with the sea. The over 70 m² terrace is dominated by an infinity pool.

The house is complemented by a multipurpose basement with two porches and a garage.

The geometric shapes that outline the external structure are clad in gray glass and natural stone slabs, contrasting with the white of the facade. Of particular note is the cube that houses the master bedroom terrace, which stands out and looks directly onto the sea.

With an enviable location, next to spectacular coves and beaches, surrounded by nature, with a unique gastronomic and leisure offer, well connected to two international airports less than 100 km away, just 10 minutes from the coastal town of Moraira and strategically located between Alicante and the city of Valencia, a paradise on the northern Costa Blanca.
