Would you like to live in a villa that is in an incredibly natural setting with panoramic views of the Mediterranean Sea and the Benidorm skyline? This is your chance.

This detached house, characterized by its avant-garde architecture and its large, light-flooded interiors, is located in a closed urbanization in a privileged location.

The house stands out for its natural light and large interior spaces, 5 bedrooms and 6 bathrooms, open kitchen, living and dining room, terrace, swimming pool, barbecue, closed garage and elevator.

It has direct access to the highway, 10 km from Benidorm and only 50 km from Alicante airport and 100 km from Valencia.

The picturesque seaside town of Altea allows us to enjoy all the services and leisure of a big city while enjoying an open viewpoint of nature and the intense blue of the Mediterranean Sea, immersed in a natural setting that also makes up the perfect setting for a getaway, a relaxing holiday or why not be lucky enough to make it our home.
