Take this unique opportunity to live in a newly built villa between the beach and the mountains, surrounded by nature.

These modern villas have 3 bedrooms and 3 bathrooms, private pool and garden, optional solarium and are surrounded by a privileged natural environment in Polop.

Polop is an inland municipality in the north of Alicante where its old town contrasts with the new developments with modern architecture. Characterized by a quiet place but with all kinds of services such as shops, restaurants and bars.

Enjoy the wide range of hiking trails while enjoying the fantastic beaches and coves with crystal clear waters just 10 minutes away.

Polop is very well connected and only 30 minutes from Alicante and its airport. Likewise. Proximity to the AP-7 allows for good communications with the rest of the province.
