This spectacular villa boasts views of the sea and mountains from any room on the ground and first floor creating a unique and beautiful home.

On entering the external gates, this beautiful villa boasts a spacious double carport with the main access to the house at basement level.

On the ground floor level an open concept floor plan will reveal a spacious family living room, formal dining room, an open kitchen with a separate laundry and store room, a double guest en-suite bedroom and a separate guest toilet.

The full-height double glazed windows provide natural light into the spacious living room and the floating stairs at the end of the hall lead up to the first floor family level where there is an en-suite bedroom with a walk-in closet. The master bedroom boasts the most luxurious custom designed free standing bath and closet, as well as with a double bathroom.

Both the ground floor and first floor own an incredible outdoor area with large terraces that allow you to enjoy the views of both the sea and mountains.

The basement provides a heated indoor swimming pool which is infiltrated by natural light from the outdoor pool.

A separate shower room, storage area, a home cinema room and a guest en-suite bedroom comprise the remainder of the space.

The feature four person elevator serves all three floors of the villa.
