Additional information

Detached house, located next to the commercial and service center of Ciudad Quesada. Due to its location and situation it has a magnificent view of the salty lagoon and the Mediterranean Sea. Fully renovated. It comes with a fully furnished kitchen, two sitting – rooms, large terraces, gardens, swimming pool, garage for several vehicles and all the services and supplies: water, electricity, fiber optics and city gas. On the ground floor there is an equipped kitchen, laundry room and machine room, toilet, large living room with access to the gardens and a large pool. The first floor has a large living room with a French fireplace and access to the outdoor terraces, a bedroom with a full bathroom and built-in wardrobes. The second floor has a toilet, four double bedrooms with magnificent views, one bedroom with an en-suite bathroom, all of them have built-in wardrobes.

The house does not exhaust the buildability or the number of houses that can be built on the plot, in the back there is a guest house. Great opportunity to buy something good for a big family.
