Additional Information

A solarium of 47m² is optionally available. The images of the interior are of one of the showhouse apartments so that you can already see what finishing qualities this building company has. This house is being built in a new allotment of Benijofar with all new houses. All conceivable amenities are within walking distance. It has a very good connection with Alicante airport due to the presence of the AP-7, so the airport can be reached in half an hour via the AP-7.
