Additional Information

One can choose from 3 different models of villas. Two villas on one level (RODIN and BOSCO) and a villa (Cézanne) on two levels.

The chosen model has no effect on the price, but the size of the house and the plot does. Optional is an underground garage 40m², English Patio 13m² and possibly a recreation room 41m² possible. The 12 km long golden sandy beaches of Guardamar del Segura can be reached in about 10 minutes by car. Due to the proximity of the AP-7 motorway, you can reach Alicante airport in about 35 minutes.
