Additional information

Wonderful detached bungalow, located next to Las Vistas Beach and Golden Mile, occupying the corner of a residence with swimming pool, with great ocean views. Situated on the second line of the sea, the house has direct access from the street to the rear with its own parking for 4 or 5 cars. On the same terrace, which surrounds the whole house, there is a workshop, a storage room and garden areas. There is double access to the interior: either through the porch on one side or through the main door on the other. Distributed between the ground floor and the attic, it has 3 bedrooms of which two doubles and one single, as well as 2 bathrooms (one en suite), an independent equipped kitchen and the living/dining room from where you can enjoy the views. The attic is accessed via the spiral staircase. The space serves as a second living room, with storage space, but can perfectly be used as a further bedroom. In the communal areas are the swimming pool, the solarium and garden areas, with nice views. It is accessed from the house by an internal pedestrian door. Community fee €190/month.
