Additional information

We present this fantastic project for sale together with the Real Club de Golf de Tacoronte, in a privileged area with excellent connections. These are 4 independent villas with plots of 619 m², three of them, and 829 m² the fourth, the 4 villas have a constructed area of 190 m², on two floors connected by stairs and also an elevator. It is distributed in 4 bedrooms, 4 bathrooms, living room and beautiful terraces. The Swiss construction company is starting its first projects in the Canary Islands, preceded by extensive experience and an impeccable reputation wherever they have built. Its mission is to offer a service to its clients based on removing any type of worries when buying a newly built property in the Canary Islands. Construction system: For the construction, they use metallic structures with which construction periods can be shortened and offer the best thermal insulation on the outside, SATE type, which eliminates thermal bridges. Turnkey delivery time: We are able to make a turnkey delivery in 5 – 6 months from receipt of the building permit. Form of payment: With the maximum guarantees for the buyers and for the promoter. To consult.
