Papildoma informacija

Benijofar is a municipality with just over four thousand permanent residents. All amenities are within walking distance. There are many good bars and restaurants for eating out. The market day takes place on a Tuesday and is a very colorful experience, located inland in the southern Costa Blanca, close to the tourist resorts such as Guardamar del Segura and Torrevieja. Popular with Northern Europeans, it is also close to the cities of Formentera del Segura, Ciudad Quesada, Algorfa, Rojales, Almoradi and San Fulgencio. Benijofar is also a popular place to stay during the summer holidays as it is close enough to the coastal towns and yet quiet enough to get away from it all. The nearest and best beaches at Guardamar del Segura and Torrevieja are approximately fifteen minutes away by car and are also within easy reach with regular bus services from Benijofar to Guardamar del Segura and Torrevieja. There are several golf courses nearby, as well as water parks in nearby Rojales and Torrevieja.
