Papildoma informacija

Would you like to live in a privileged place where sun, sea and mountains come together? This is your opportunity to live in one of these incredible villas with sea and mountain views.

These houses are located in an exclusive resort in the residential area of Balcón de Finestrat, surrounded by nature.

The villa has a private parking space, a beautiful private pool 6.5 x 3 m, a terrace and a large garden with automatic irrigation.

This design harmoniously fits into the environment in which the houses are located. Large floor-to-ceiling picture windows ensure the homes are always bright and filled with natural light, making the impossibly large rooms feel even larger.

The resort is very well located with access to all the necessary services, just 5 minutes from the golf courses, 10 minutes from shopping centers and other types of services such as supermarkets, shops, bars and restaurants. In 10 minutes you can also walk along the incredible beaches of Albir and Altea. Also very well connected to Alicante Airport which is 40 minutes drive away.

Possibility of solarium for +18,500 €

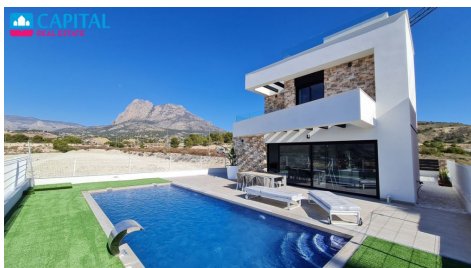

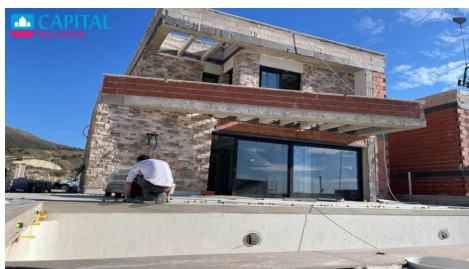

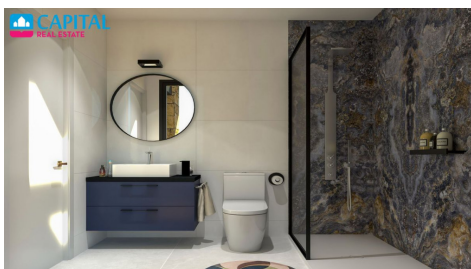

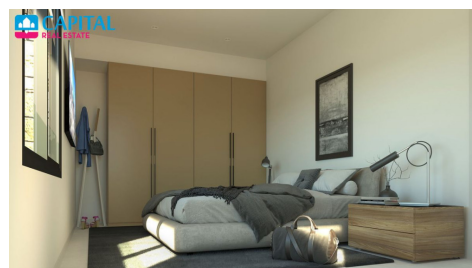

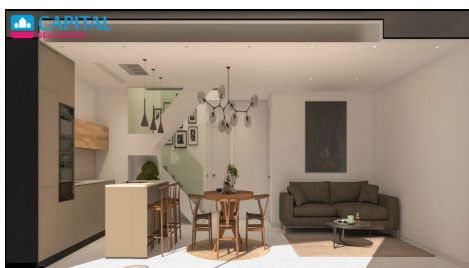

Estimated delivery date: 16 months from the signing of the contract.
