Papildoma informacija

If you are thinking of buying a holiday home, this is a good option. However, you can also live in it all year round.

High quality detached villa with swimming pool. A privileged environment and a good international neighbourhood are included for life.

Spacious and bright house with 3 bedrooms, 2 bathrooms and 1 toilet. The modern style of the decoration comes with elements of stone and wood. The open space and floor to ceiling windows on the ground floor ensure that you will have some sunshine in your home at all hours of the day! This creates a spectacular place to work, watch a movie or just relax. The open plan kitchen comes with modern furniture and a practical layout. The combination of wood and natural stone makes the house modern and rustic at the same time. Large windows bring a fresh sea breeze through the blooming garden and pool. All these elements make the villa special and cheerful. The top floor solarium has 360° views of the sea and mountains. The first floor also has an optional terrace, which can be converted into whatever you wish.

Situated in the Balcon de Finestrat area. We are building a high quality and competitively priced urbanisation. Close to Benidorm and with panoramic views to the sea and the Puig Campana mountain. Only 6 minutes from the theme park "Terra Mitica". Alicante – Elche airport is 57 km from the villas.
